## RECOMMENDATIONS

#	Category	Information
<b>1</b>	Weather Preparation	Chicago in February can be extremely cold with temperatures often below

		freezing. Pack heavy-duty winter clothing, including thermal layers, a windproof jacket, a scarf, gloves, and a beanie.
<b>2</b>	Public Transportation	The Chicago Transit Authority (CTA) is reliable; consider purchasing a Ventra Card for unlimited rides within 1, 3, or 7-day periods; it's more economical than single fares.
<b>3</b>	Driving Alert	Driving in Chicago during winter can be challenging due to snow and ice. Ensure your rental car is equipped with winter tires and be cautious of black ice.
<b>4</b>	Currency Tips	Although card payments are widely accepted, keep some cash for smaller venues that might not accept cards, such as street vendors or small cafes.
<b>5</b>	Cultural Norms	Tipping is customary in Chicago, typically around 15-20% at restaurants and bars. For taxis or rideshares, round up to the nearest dollar or more if service was excellent.
<b>6</b>	Safety Advisory	Chicago has varied crime rates; areas like the Loop, River North, and Gold Coast are generally safe for tourists, but it's advisable to travel in groups at night and avoid more isolated areas.
<b>7</b>	Emergency Services	In an emergency, dial 911 for immediate assistance. Keep a note of your hotel address and nearest hospital for quick reference.
<b>8</b>	Local Sim Cards	If international roaming is expensive, consider purchasing a local SIM card for better rates on calls and data during your stay.
<b>9</b>	Eco-Friendly Practice	Bring a reusable water bottle

		as many hotels and cafes support refilling stations, helping to reduce plastic waste.
<b>10</b>	Health Precautions	Winter flu is common; boost your immune system with vitamins and consider a flu shot before traveling. Hand sanitizers and masks are recommended in crowded places.
